

Mobile Stages & Risers

Our most popular and economical stage for festival & Community events features a 24' wide x 20' Deep stage deck with a 13' High roof- other sizes available. We also offer 4' x 8' stage decks for any event. Hydraulic portable stages are safe, cost effective and set up quickly on various surfaces and uneven terrain. Adding a custom banner package gives you excellent brand marketing & sponsor logo Placement options for your event.
